

South Yarra Substation major works

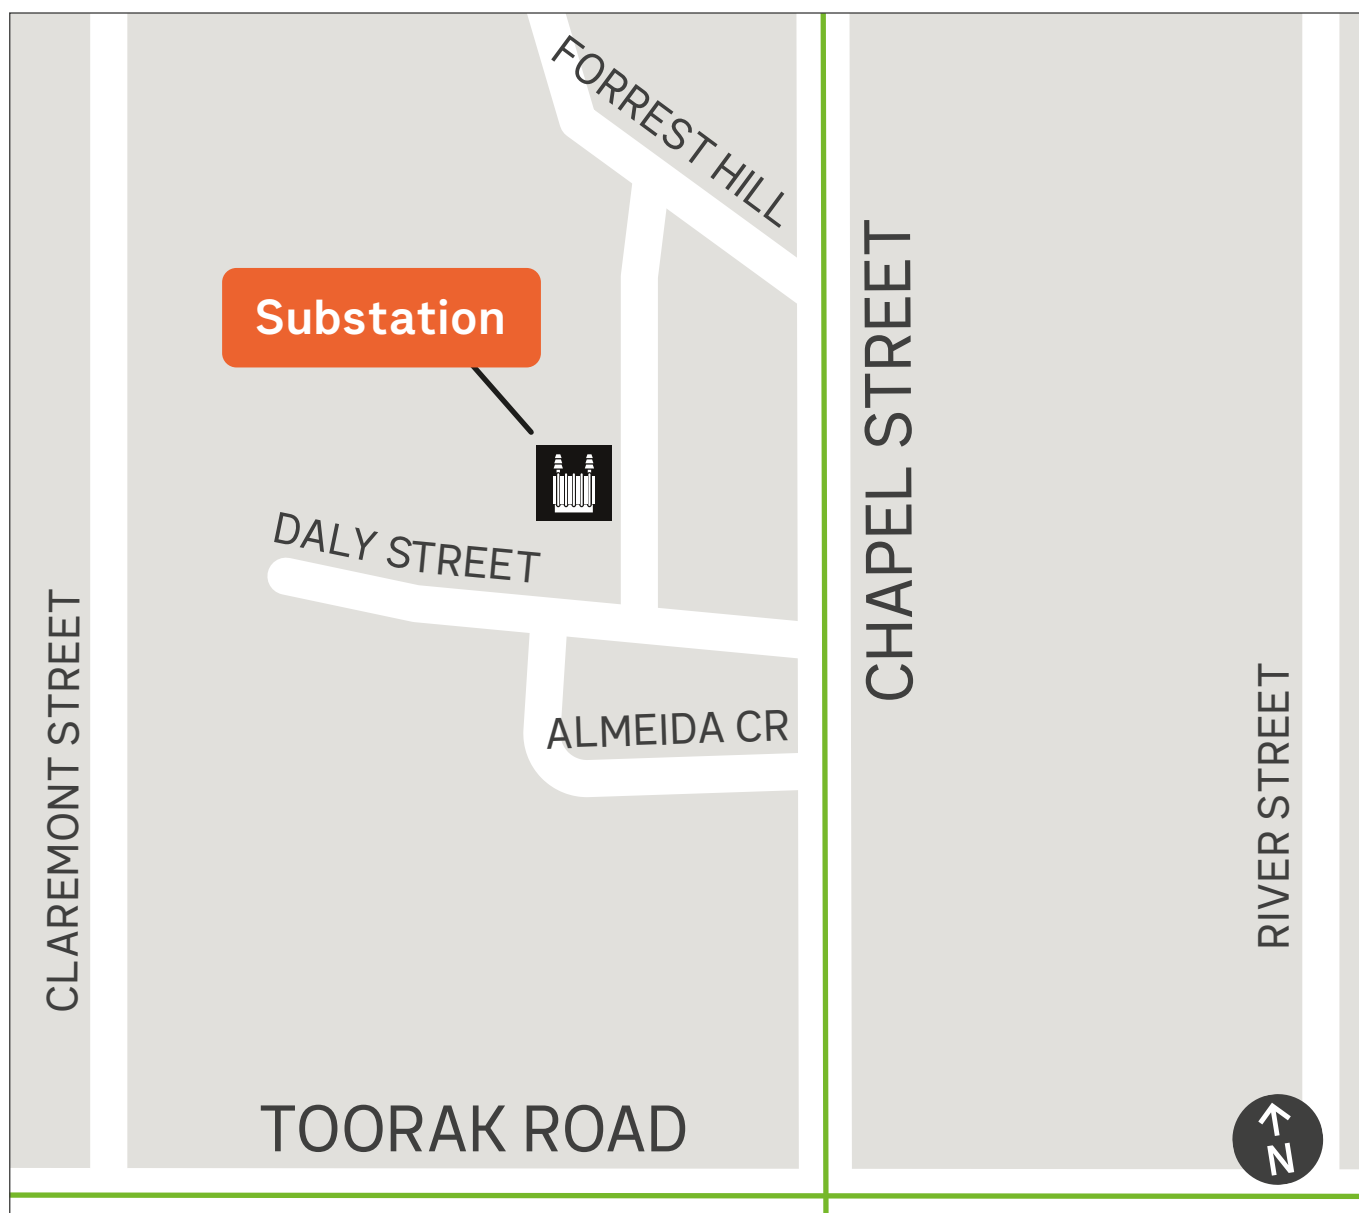

May 2024

Update 1

The Department of Transport and Planning and Yarra Trams are building a new extension on the existing substation site at 2 Daly Street, South Yarra. This will upgrade the tram power supply system to ensure there is enough power to meet future local transport needs and the increased demands on the tram network. As part of our works to construct the new substation extension, we will undertake eight days of works from **Monday 20 May to Monday 27 May 2024**.

 When	9pm, Monday 20 May to 5am, Monday 27 May 2024 (24-hour works).
 Where	Works will take place within the South Yarra substation at 2 Daly Street, South Yarra.
 Work	24-hour works will include: <ul style="list-style-type: none">– Disconnecting the incoming power.– Installing new services within the old substation.– Replacing the old equipment within the existing substation.
 Road	There will be no traffic impact for vehicles on Daly Street, South Yarra.
 Noise/Dust	Mostly low-to-medium levels of noise during the works.
 Trams	There will be service changes to tram routes 58 and 78 on Toorak Road and Chapel Street during the works. For more information, visit: yarratrams.com.au/service-changes
 Businesses	Businesses located around the works area will be open and accessible during the works. Please continue to support local businesses during these essential tram works.
 Pedestrians	Footpaths will be open. Temporary detours may be in place. Please follow signage around works.
